Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. The holdings mentioned in the claimant's other activity are listed in the modified tickers and quantities above. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

			Other Activity Asserted: \$121,343.86 - Our USD balance as of November 9 (less the 1027.40 listed above) was \$121343.86, which was put into a futures position. When the news broke that FTX was insolvent, prices significantly decoupled from the actual market value. Price swings were 20-50%+ as there was no liquidity on the order books as all of the market makers ceased trading, which caused liquidations that should not have occurred, and there was an inability to close positions without moving prices significantly and forcing a liquidation. We believe we are entitled to our USD put into the futures position as the fraud orchestrated by FTX was the reason for prices decoupling from the market and our positions being liquidated.			0.000000000000000
Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;","(c) the purported commingling and misuse of customer deposits and corporate funds;","and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. The holdings mentioned in the claimant's other activity are listed in the modified tickers and quantities above. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;" Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

			Other Activity Asserted: 166,727.54 USD (Stablecoin) - The FTX system did not behave normally, healthy and fair in the weeks and especially the last days before the site was shut down. For me, who used the robotic system for my transactions in the bitcoin-dollar market, the world price of bitcoin was used to decide to enter a position. This is despite the fact that the price of Bitcoin in the FTX future trading system was completely unrealistic in the last weeks and days before the site was shut down. And I want you to measure the balance before the trades that have been done since 14 days before the closing of FTX. (that is, the balance before the positions opened on the FTX market since 2022-09-28 should be used as a settlement criterion) The actual price of Bitcoin in all the other authorities and exchanges in the world with the FTX exchange, especially the Futures market, at the same time (same date and time) has a huge difference and it was definitely unreal. In recent weeks and days before shutdown, the FTX exchange has deliberately made sudden changes in the price of Bitcoin in an unrealistic way, contrary to the direction of my active position and that of other customers. This work was done with the aim of liquidating positions in the future market and caused heavy losses. And people, including me, whose account has been connected to this exchange with smart robots, to prevent the account from being completely liquidated, these positions have been closed for us with very significant losses. When you see these sudden and unrealistic price changes and compare it with other exchanges whose detailed history is available everywhere, you will understand our claim. For this reason, I demand the amount before these transactions. Because all transactions were done in an unacceptable, unsustainable situation and at an unrealistic price. This amount of loss and the difference in the account balance (before FTX violations) with the balance I saw in the claims.ftx.com account is at least \$166,727.54			0.000000000000000
			In addition, during this period, non-response, delay, keeping money without permission and loss of time are also things that we want the honorable court to collect from this fraudulent company in the form of compensation.			

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;" Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. The holdings mentioned in the claimant's other activity are listed in the modified tickers and quantities above. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Other Activity Asserted: \$16,000 - The lack of liquidity and over leverage led FTX to have its own coin (FTT) collapse. FTX pushed us to invest in this coin and use it as a collateral for securing the PERP trading pairs. As every asset is used as collateral, the collapse of FTT, led to an overleverage of my account, which led to cascade liquidation of my assets, first FTT, but then SOL, ETH, and others, until I could close all my position, but that was too late.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;" Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Massive funds from FTX were sent to crypto Scam companies, I have personally lost over \$500,000 of crypto purchases to this scams and the victims I know first hand add up to over six million. The many wallets I was asked to send the funds to have been frozen and I believe this wallets can be related to all this claims, as wallets were opened in overseas, people were in Asia, Europe, and may places around the world. Multiple wallets were provided to deposit BTC, ETH, USDT. I will attach all the transactions that I deposited into all the different wallets. I am not certain as to which division executed each wallet, but some wallets got frozen. Please confirm the transactions I am attaching for my claim, I am using a low estimate as some transactions may not have been related to the lawsuits mentioned.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;"; "(c) the purported commingling and misuse of customer deposits and corporate funds;"; and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;"; "(c) the purported commingling and misuse of customer deposits and corporate funds;"; and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "[a] the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "[c] the purported commingling and misuse of customer deposits and corporate funds;," and "[g] the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;" Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Other Activity Asserted: 150,000 - 8. Yes, I do have a customer claim related to other activity on the FTX Exchanges. (can be verified on my trading history in the SOL PERP SHORT) During the final moments when the FTX website was live, I experienced a significant liquidation event, resulting in a loss of more than \$150,000. The occurrence was unexpected as it was generally presumed that the exchange operations were concluding. This loss was substantial for me as it represented my entire financial investment in the platform.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;"; "(c) the purported commingling and misuse of customer deposits and corporate funds;"; and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Other Activity Asserted: \$7,277 - As you can see from my transaction details, I was maintaining a long position with 0.5 bitcoins on the market at the time Under such circumstances, the FTX incident took place You can check the attached data You can confirm the entry of 0.5 Bitcoin into the long position at a price of \$10,596 which is half the price of \$21,192 at 01:00 AM on November 7, 2022. As you can see in the file I attached, I had \$7,277 before entering the futures trading long position. However, I received an email from FTX stating my balance was \$4,934 USD. So I thought my chosen futures trading long position, 0.5 BTC, was forced to close on FTX. However, as you can see from the attached data, the position of 0.5BTC remains the same, the long position remains the same. To sum up my argument, my total balance is \$7,277 and I entered a long position with 0.5 BTC at the time of the FTX event. In the mail you sent me, I was notified that there was a balance of \$4,934 left, and as a result of checking the account through this claim, it was confirmed that -\$3,619 remained. What I claim can be verified in the attached documents. My current long position in futures trading remains intact, and my total balance is \$7,277, and my loss from FTX is \$2,343. As of November 07, 2022, the Bitcoin futures trading price was \$21,192, and at that time I invested \$10,596 in a long position in the futures trading. The current Bitcoin futures price is \$29,407 on Binance. If the FTX event hadn't happened, I planned to be a long-term investor and now I should have a total of \$4,107 in earnings plus a balance of \$11,384.

			<p>If I ended my 0.5 BTC long position on FTX, I should be guaranteed a balance of \$4,934 considering the market price of Bitcoin, which was a bear market at the time.</p> <p>However, as you can see from the data I attached, the long position is currently maintained and it remains on record. I acknowledge that my balance may change depending on the price fluctuations of Bitcoin. I have attached all the evidence to support my claim. Of the \$7,277, I don't know exactly what happened after the FTX site was shut down. But what is clear is that I have a balance of \$7,277 right before I invest. Since then, the FTX site has been closed and nothing can be done while holding long positions. In the first email sent to me, my principal amount was reduced from \$7,277 to \$4,634 and I now have -\$3,119 left. I can't accept this. Regarding the profit, it would be nice if 11,384 compensation was made based on the current price of Bitcoin at 08:08 on August 12, 2023, but if this is not possible, I think the principal should be guaranteed. I have attached the record, so I am still holding a long position of 0.5BTC. At the time, I placed a long position of 0.5 BTC at \$7,277 and then the FTX site was shut down. As a result, I was notified in my first email that I had a balance of \$4,634 remaining. And now that I'm requesting a claim, I checked my account and it says I have -3619 dollars left. This is terribly wrong information. I want to be compensated by checking my records remaining in FTX and the materials I have attached. Lastly, I want to be compensated even if only my principal amount is \$7,277 at the time of FTX closure. If FTX hadn't been closed, I could have made more money by holding the long position. Conversely, if Bitcoin were in a bear market right now, I would have accepted my loss. The key point I claim is that the principal amount is \$7,277, and I invested 0.5 BTC in a long position in futures trading at the time, and it seems that the long position was forcibly stopped when the FTX site was closed. But my record still holds the long position. However, the email I received from FTX confirmed that the balance was marked at \$4,934.</p> <p>I lost \$2,343 even though I did not close my position while my Bitcoin was falling. However, I confirmed that there is currently -3169 dollars remaining. If my long position holds, my total balance should be \$11,384 based on the current Bitcoin price, but I'd be content with only packing \$7,277 principal. At 1:04:52 AM on November 7, 2022, with my principal at \$7,277, \$10.596 of the Bitcoin price of \$21,192 at the time entered a long position at 0.5 BTC. FTX site shutdown incident On March 29, 2023 I received an email from FTX. I checked my balance and it says I have \$4,943 left. \$2,343 loss despite not closing the long position I can see from my records that the long position remains intact. The balance checked during the current claim period is -\$3,119 I want to be compensated for the principal amount of \$7,277 and the profit generated from the long position by reflecting the current price of Bitcoin. If it is impossible, I want to be compensated even for the principal amount Thank you</p>

Other Activity Asserted: \$172,517.06 - Prior to the news of FTX being insolvent our account value was approximately \$300,000. We had a large SOL position and once the news broke about FTX likely being insolvent and a complete fraud, the liquidity on the exchange evaporated as FTX and all of the other market makers pulled their capital from the exchange. This caused order books to be extremely thin, and asset prices drastically decoupled from the market price on every other exchange. Due to the lack of liquidity we were unable to close our large positions and they were liquidated as prices violently collapsed on FTX. Given the entire platform was a scam, we view all transactions as void, and are seeking to claim our original capital deposit of \$230,000, less withdrawals of \$57482.94, for a sum of \$172,517.06

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;" Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;"; "(c) the purported commingling and misuse of customer deposits and corporate funds;"; and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

			Other Activity Asserted: 1.8512 - During the ftx crisis, it was said that withdrawals were blocked unless we converted our crypto to TRON. So I converted 1.8512 ETH to TRON. But the value of TRON on FTX was 3 times lower than the value of TRON on other platforms. The withdrawal did not work. So I lost 1600 dollars because of this conversion to TRON to try to make a withdrawal. I would like to be compensated for this loss of my 1.8512 ETH.			0.000000000000000

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;,". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;" Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;"; "(c) the purported commingling and misuse of customer deposits and corporate funds;"; and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

			Other Activity Asserted: 6600 USD - My complaint is that at the time of the bankruptcy of the FTX exchange (November 10-11, 2022), the Huobi exchange announced that it could help with withdrawals through Sun, Trx and other similar cryptocurrencies, but in fact the rates of these currencies were adjusted in an incredible way in some moments reached 1:10 - 1:30 (for example, the cost of Trx on Ftx is 0.44, the cost of Trx on Huobi is 0.044). But since there was no other possibility of withdrawing funds from the FTX exchange, I had to carry out a series of transactions to transfer Xrp to San, Trx, which was almost impossible to do, since the supply of these cryptocurrencies was clearly regulated by someone else (probably FTX). Still, after some time, I managed to exchange Xrp for San and Trx, after which on the corresponding page from Huobi I sent data about my balances to Ftx, but never received a response from them about the successful transfer (We only received messages about successfully submitted application). I believe that this was a deception on the part of FTX to its users in order to reduce further payments in case of bankruptcy. I am attaching links: 1: My deals with Trkh and San for November 10-11 (#####) 2: ##### 3: #####			0.000000000000000

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

			Other Activity Asserted: \$11,900 - My account in FTX at the time withdrawals were frozen was \$11,900. In the hours/days after the FTX freeze there was extreme concern uncertainty and desperation, and we could not withdraw funds and the outlook was bleak. At the time of deposits being frozen my balance was around \$11,900 (fluctuating as I took the screenshots below. There was talk of ##### doing a deal with FTX (or something like that) which meant TRX and SUN could be withdrawn. Being desperate to salvage anything out of my family holding in FTX I bought some TRX (at extreme prices due to this â€demandâ€) and you will see from my current holding statement TRX [22661.421551835156]. You will also see I never had TRX at freeze date. I have 2 concerns. The first is that I swapped tokens out of desperation to make a withdrawal. And second is that the FTX liquidators are valuing the TRX at \$0. Why is this the case? I essentially go from \$11,900 to just my USDT balance of \$1,479 USD [1479.511164635187]. Please advise what I can do to rectify this absurd injustice?			0.000000000000000

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted as the modified tickers and quantities above reflect the claimant's holdings as of the petition date. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;" Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Other Activity Asserted: See addendum - See addendum						0.0000000000000000

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Other Activity Asserted: 300 - Binance Coin, BNB, did market manipulation-oriented ghost moves in FTX, about 2 days prior to FTX being shut down in November 2022, which didn't appear in any other chart or in any other trading engine anywhere. My BNB short position was liquidated at 390\$ when in fact price never crossed 313\$ in any market. Huge part of my account got liquidated while I as sleeping due to a move that never really happened. Me and probably many others got robbed by unbelievably shady practices, I simply want to make sure this matter is addressed to some extent. Damages to my account were around 900 dollars. I settle for 300 if claims like this are actually processed and find any justice.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;" Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Other Activity Asserted: 2.95246846 ETH - On NOV/10/2022 IN DESPERATE ATTEMPTS TO RECOVER MY AVAILABLE BALANCES ON FTX, I MADE SEVERAL WITHDRAWAL OPERATIONS TO MY BINANCE ACCOUNTS. MY ETH MAIN BALANCE WAS 2.95246846 AND I REQUESTED A WITHDRAWAL AT 6:57:08 PM WHICH WAS CANCELED. THE INFORMATION AVAILABLE ON THIS DAY IS THAT CUSTOMERS WHO HAD TRX COULD MAKE WITHDRAWALS TO OTHER ACCOUNTS OUTSIDE FTX. IN THE NEXT HOURS AFTER THIS INFORMATION, IN DESPAIR, I MADE SEVERAL TRX WITHDRAWAL ATTEMPTS (ETH CONVERTED INTO FTX), UNTIL THE FTX WEBSITE BLOCKED NEW OPERATIONS. I REINFORCE THAT I WAS TAKEN BY DESPAIR AND AT NO TIME WOULD I CONVERT TO TRX. THE BALANCES PRESENTED IN FTX DO NOT CORRESPOND TO THE BALANCE AVAILABLE BEFORE THE INFORMATION ON THE POSSIBILITY OF WITHDRAWAL IN TRX. THIS INFORMATION DISCLOSED AND AVAILABLE ON FTX WAS FRAUDULENT. I REQUEST THAT ALL OPERATIONS IN FTX, AFTER THE WITHDRAWAL BLOCKED, AND MY ETH

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;" Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;" Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;"; "(c) the purported commingling and misuse of customer deposits and corporate funds;"; and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". 			Other Activity Asserted: Unsure as I was liquidated - Back in 2021 May, there was an issue with FTX platform which did not let me close my positions when the market was crashing. I have tried repeatedly and did not work with error of "not enough margin" even though I was closing positions. I tried contacting support but they blatantly ignored me.			0.000000000000000

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;" "(c) the purported commingling and misuse of customer deposits and corporate funds;" and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

			Other Activity Asserted: 1&lt;claim&lt;100000 - when there was a trading engine lag during rapid increase of volatility - it wasn't possible to close out a position immediately, there was an error. it was a notoriously known lag though fix team managed to fix it only in the last months before an exit scam. this lag costed me money. I want to find out the exact money I have lost and claim it back, by measuring the delta of (time when I clicked to close position and nothing happened, time when I managed to closed position, position size, price difference).			0.0000000000000000

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;,". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Other Activity Asserted: Roughly \$70 USD - 2 days (roughly) after FTX stopped withdrawals they offered people to swap their crypto for TRON & withdraw, it was a scam where they only paid roughly 1/3 the value of TRON on that day. I dont have the proof of the transaction but I was scammed out of a large portion of what i had left on the exchange

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted as the modified tickers and quantities above reflect the claimant's holdings as of the petition date. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;"; "(c) the purported commingling and misuse of customer deposits and corporate funds;"; and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

			Other Activity Asserted: +100000usd - Due to faulty reporting on their site, they forced me into a loss position and gave me no way of being able to control my exposure or risk, as they made it impossible to log in to the website or make use of any functionality like setting stop loss, or even showing what position size you're holding, and locked everyone out. My orders were detailed as "cancelled" but when I logged back in all those orders were filled and put me close to liquidation. I had no way of controlling my position or risk or setting stop loss. When I reached out to customer support they told me not to touch the trades and they were aware of the issue and it would be investigated. I tried to close what I could to preserve any capital but it was too late and I was liquidated. This was orchestrated by FTX and it happened to a few people exactly a few minutes before the market crashed. I have evidence of this as well as an email I sent to the Bahaman government long before the collapse of FTX.			0.000000000000000

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;," "(c) the purported commingling and misuse of customer deposits and corporate funds;," and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.

Reason: The FTX Recovery Trust has conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the FTX Recovery Trust submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. Accordingly, the FTX Recovery Trust seeks to modify the asserted claim to match their books and records. In addition and pursuant to Paragraphs 41 and 93 of the Confirmation Order and Section 5.2 of the Plan, the Global Settlement resolves, among other things, "(a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders;", "(c) the purported commingling and misuse of customer deposits and corporate funds;", and "(g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates;". Therefore, the FTX Recovery Trust's liability is limited to Allowed Customer Entitlement Claims under the Plan and all components of the Overstated Claims asserting generalized Claims and causes of action should be reduced to zero.
